About
Corporate Learning Institute

The Corporate Learning Institute's programs teach, inspire, renew, and challenge your people to become powerful performers. Our expert consultation and facilitation ensures that participants learn the skills that are critical to their success back at work. Our bottom line is to help achieve both personal and organizational success.

The Corporate Learning Institute offers a continuum of services from short-term training events to full-scale change projects. For maximum return on investment, our services are custom designed for each client we work with. Our services encompass the following five areas:

Consulting Services: Our approach is rooted in process consultation, organizational behavior, organizational development and expert facilitation. We provide strategic planning, vision, mission and values development, change management, culture work and executive planning retreats.

Training and Development Workshops: These dynamic skill building sessions include leadership, management and supervisory training, performance accountability, change management, customer service, diversity, personality styles, conflict management, train the trainer and communication.

Performance Coaching: Our expert coaches provide assistance with team coaching and development, individual performance coaching and executive coaching.

Adventure Programming: We provide provocative Team Challenge and High Ropes Courses tangibly designed to target performance improvement.

Corporate Team Building Events: Our lively, well-orchestrated, and power packed events create awareness of your organizations goals.
